30 June 2025

# Japanese-Italian Symposium on Organic Chemistry **JISOC 2025** 12 – 15 October 2025

**Camera di Commercio,  
Corso Cavour, 2  
Bari**

**Mikiko Sodeoka**  
RIKEN Center for  
Sustainable Resource  
Science

**Sci-Org Lecturship**

A landmark opportunity for collaboration between Italy and Japan in modern organic chemistry. By bringing together experts from academia and industry, as well as emerging researchers, we aim to foster dialogue and cooperation that will propel organic chemistry forward. We will explore a wide range of topics, from innovative synthetic methodologies to sustainable solutions in organic synthesis and material science.

## INVITED SPEAKERS

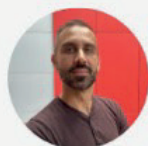

**Massimo Bietti**  
University of Rome

**Luisa de Cola**  
University of Milan

**Martina Delbianco**  
Max Planck Institute

**Luca dell'Amico**  
University of Padua

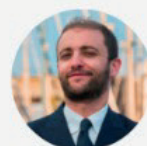

**Gianluca Farinola**  
University of Bari

**Francesca Paradisi**  
University of Bern

**Maurizio Prato**  
University of Trieste

**Vittorio Pace**  
University of Turin

**Motomu Kanai**  
University of Tokyo

**Keiji Maruoka**  
University of Kyoto

**Takashi Ooi**  
University of Nagoya

**Hirohisa Ohmiya**  
University of Kyoto

**Masahiro Terada**  
Tohoku University

**Hideki Yorimitsu**  
University of Kyoto

**Takashi Kubo**  
University of Osaka

**Yoshiaki  
Nishibayashi**  
University of Tokyo

### Local Organizing Committee

Renzo Luisi (Chair)  
Davide Blasi  
Marco Colella  
Philipp Natho  
Department of Pharmacy – Drug Sciences  
University of Bari “A. Moro”

### Scientific Committee

Marcella Bonchio (University of Padova, Italy)  
Martina Delbianco (Max Planck Institute Potsdam, Germany)  
Renzo Luisi (University of Bari, Italy)  
Paolo Melchiorre (University of Bologna, Italy)  
Giovanni Piersanti (University of Urbino, Italy)  
Jacopo Roletto (Procos SPA, Italy)  
Franca Zanardi (University of Parma, Italy)  
Keiji Maruoka (Kyoto University, Japan)  
Takashi Ooi (Nagoya University, Japan)  
Hirohisa Ohmiya (Kyoto University, Japan)
